

STUDENT OF THE MONTH: LUCAS CHIN

Some parents come into the school and let us know that their child has been doing martial arts at home and they feel as though it's something they are meant to do. Lucas Chin was one such student.

Lucas started at PMA at age 5 in June of last year. Dad found the school because they live close by. As soon as he did his trial class, Ms. Kathy knew that Lucas loved martial arts and had a natural knack for it. *"I saw that he was focused and super self-motivated. He easily picked up the techniques and wanted more."*, She says.

Since he started the martial arts almost a year ago, Lucas' motivation and dedication has not waned. He continues to be laser-focused in class and the instructors often use him to demonstrate for his peers as a result. When asked about the benefits he has seen in Lucas over his time here, dad says, *"He doesn't give up on things, he is more coordinated and he is channeling all the things he's wanted to do in a proper manner."* Lucas' favorite thing about martial arts is *"Everything!"* And his favorite exercises are jumping jacks and he says he has learned lots of techniques, including blocking, punching and kicking.

Outside of PMA, Lucas attends PS 244 and is in the 1st grade. His favorite subject is math and he also enjoys riding his bike and building with his legos.

We are so proud of Lucas and really enjoy watching him grow and develop as he continues to train more. Congratulations, Lucas!

FEBRUARY'S
POWERFUL WORD
OF THE MONTH:
FRIENDSHIP

POWERFUL WORDS
CHARACTER DEVELOPMENT

FRIENDSHIP

FRIENDSHIP MEANS:

"WE CARE, SHARE AND WORK TOGETHER!"

FRIENDSHIP MEANS:

A RELATIONSHIP WE CHOOSE BASED ON MUTUAL INTEREST,
